Hi Meghan and Richard,

As planned in our part of the federal research plan on the use of tire crumb in sports fields, we are organizing a tour of a tire processing facility, [Ex. 3 (CERCLA section 104(e)(7)(42 USC 9604(e)(7)))] I was wondering if Barnes, Kathleen, or one of you would be interested in joining. If so, I will send you the doodle poll link.

Thank you,
Ksenija
